

**AUTHORIZATION TO ACCEPT AND DISTRIBUTE ELECTRONIC  
RECORDS AND TO USE ELECTRONIC SIGNATURES**

Unless a provision of law enacted after September 14, 2000, specifically prohibits the use of an electronic record for the specified purpose, the Board of Education authorizes the acceptance and distribution/transmission of electronic records and electronic signatures to and from District staff and other persons, as well as between District staff members. The Board further authorizes District staff to create, generate, send, communicate, receive, store, process, use, and rely upon electronic records and electronic signatures.

The Superintendent is authorized to develop administrative guidelines concerning the acceptance and distribution/transmission of electronic records and electronic signatures. After giving due consideration to security, the Superintendent may specify the following:

- A. The manner and format in which the electronic records must be created, generated, sent, communicated, received, and stored, and the systems established for those purposes.
- B. If electronic records must be signed by electronic means, the type of electronic signature that is required, the manner and format in which the electronic signature must be affixed to the electronic record, and the identity of, or criteria that must be met, by any third party used by a person filing a document to facilitate the process.
- C. Control processes and procedures as appropriate to provide for adequate preservation, disposition, integrity, security, confidentiality, and auditability of electronic records.
- D. Any other required attributes for electronic records that are specified for nonelectronic records or reasonably necessary under the circumstances.

All District staff shall comply with all provisions of the Uniform Electronic Transaction Act when creating, generating, sending, communicating, receiving, storing, processing, using, and relying upon electronic records. Further, all District staff and other persons who use electronic signatures when completing transactions with the Board shall do so in compliance with State law.
