

State of Ohio Immunization Requirements for the 2018-2019 School Year

Dear Parent/Guardian of incoming 7th and 12th grade students,

The following immunizations are required for your student to begin the next school year. Documentation from your child's healthcare provider **must** be on file at the school to prevent exclusion. There are various ways you may obtain these immunizations:

Private physician

Public Health-Licking County Health Department offers immunization clinics

Minute Clinics or local pharmacies

7th Grade

The Ohio Department of Health requires that ALL students entering 7th grade for the 2018-2019 school year has been given the following immunizations, **1 dose of Tdap and 1 dose of Meningococcal.**

12th Grade

The Ohio Department of Health requires that ALL students entering 12th grade for the 2018-2019 school year has been given the following immunizations; **2 doses of Meningococcal.**

Please fax your documentation to the respective school office with attention to the Health Clinic:

Licking Heights Central Middle School: Fax: 740-927-5845

Licking Heights High School: Fax: 740-927-3197

Please contact me by email jprice@lhschools.org with any questions.

Thank you,

Jennifer Price, RN
