November Meeting

Middle School Student Diversity Council is very excited about the next upcoming Culture Day on January 20, and they have already started planning activities for that day for all students to experience. At this meeting ideas were discussed on what students would like to see in their school culture as well as on Culture Day itself. The meeting was lead by Mrs. Whaley, Mr. White, and Mr. Stroud.

We are asking that parents:

- 1) Have discussions about Culture with their children
- 2) Reach out to the school if you would like to contribute to Culture Day on January 20th
- 3) Share ideas about Culture Day with their children
