

# LH WEST NEWS

At Licking Heights West, we will work together to be respectful and responsible learners.

## Parent Teacher Conferences

Thurs., Feb. 16<sup>th</sup>  
Tues., Feb. 21<sup>st</sup>

## 100<sup>th</sup> Day Celebration

The 100<sup>th</sup> day of school is very important for students at West. Teachers and students use counting and calendar activities every day to learn and strengthen numerical understanding. They relate the counting of 1's, 5's and 10's to money, to clocks, adding and subtracting, culminating in the next place value – 100! (For example – We now have a dollar.) Counting real objects is a concrete way of understanding 100 and many teachers have students compile individual projects of 100.

## Attendance Awareness

We are fighting hard to keep our students healthy. We encourage you to have your child wash his/her hands often, get plenty of sleep,

and to keep them home when they are sick and to send them to school when they are not.

Please remember when you call your child in sick to follow up with a written note when they come back so that the absence can be excused.

## Safety First

**Please:**

- Observe the 10 mph speed limit on school grounds.
- Be alert to many pedestrians with students
- Park only in the visitors' spaces facing Climbing Fig Drive and keep the bus parking area by the sidewalk free

## Pennies for Patients

We will be doing our annual Pennies for Patients drive February 20<sup>th</sup> through February 24<sup>th</sup>. Start saving your pennies and asking others to help with this great cause. Last year we raised \$10,000.00. We would love to beat that amount and show all the children how much Licking Heights West cares. We will soon be sending home more details about the program and what will be taking place during the week.

## 2<sup>ND</sup> GRADE Wax Museum

Second grade students are learning about important people in history. All 2<sup>nd</sup> grade students will have a chance to perform in the Wax Museum. Please look for information to come home from your child's individual teacher about the date and time for your child's performance. We hope that you can make it in to experience this event!
