Weekly Theme

It is hard to believe that this is the last week of school and we are going to wrap up our year this week. The s'more snack last week was so good that we are going to do it again this week. Depending on the weather, we may spend some extra time outside this week.

Thank you for allowing us to get to know you and your child this school year. Have a safe, relaxing and fun summer. Best of success to our friends going to kindergarten and we will see those returning preschoolers in August.

Last Week

Thanks to everyone who came to our ceremonies last week!! The students did a wonderful job singing and walking across the stage.

We also let our 9 butterflies fly away on Wednesday. It was such an exciting adventure watching them through their entire life cycle. They were so beautiful as they flew away. Pictures of the butterflies, before we let them go, are posted on Ms. Julie's website. We were even lucky enough to see one drinking.

Notes

Report cards, progress notes and portfolios will be sent home this week. All papers are for you to keep.

The first day of school for the 2017-2018 school year is August 16, 2017.

2017-2018 Paperwork

Please return any missing paperwork for the next school year. The YMCA office will be open during the summer if you need to deliver any forms such as medical and dental.
