

Google Classroom Resources for Teachers and Parents

Google Classroom is a very popular teaching tool among school districts and there are a host of Google and third-party resources available. With the advent of COVID-19 driven school building closures in the state of Ohio, there has been an uptick in sharing how to docs as well as tips.

With most of Google's own support pages, if you don't see what you are looking for in the body of the page, you might find it on the right-hand-side. We hope that the list below is helpful to you as you get started with Google Classroom.
