## **ATTENDANCE**

### **Attendance Policy - 5200**

Regular attendance is a significant student responsibility at all grade levels. Many studies correlate regular attendance with success in school. Regular attendance means that the academic learning process is not interrupted, less time is spent on make-up assignments, and students benefit from participation and interaction with others in class. Many important lessons are learned through active participation in classroom and other school activities that cannot be replaced by individual study.

When a parent, guardian, or other person having care of a student has failed to initiate a telephone call or other communication notifying the school or building administration of the student's excused or unexcused absence within 120 minutes after the beginning of the school day, the attendance officer or designee for each school building shall make at least one (1) attempt to contact the parent, guardian, or other person having care of any student who is recorded as absent without legitimate excuse within 120 minutes after the beginning of each school day by a method designated by the Superintendent in accordance with Ohio law.

### **Excused Absences**

Students may be excused from school for one or more of the following reasons and will be provided an opportunity to make-up missed school work and/or tests:

- A. personal illness (a written physician's statement verifying the illness may be required)
- B. illness in the family necessitating the presence of the child
- C. quarantine of the home
- D. death in the family

### **Unexcused Absences**

Any student who is absent from school for all or any part of the day without a legitimate excuse shall be considered truant and the student and his/her parents shall be subject to the truancy laws of the State. (Please refer also to “Truancy” below.)

### **Suspension from School**

Absence from school due to suspension shall be considered an authorized absence.

A suspended student will be allowed to make-up school work missed due to suspension and may earn full credit for work assigned on days missed. Tests and quizzes may be made upon the return to school.

### **Notification of Absence**

If a student will be absent, the parents must notify the school (see front cover) by 8:15 a.m. for LHSD Intermediate and 8:45 a.m. for LHSD Middle School and provide an explanation. In addition, a written excuse from the parent or guardian is required within three (3) days upon returning to school stating the reason for the absence. When no excuse is provided, the absence will be unexcused and the student will be identified as truant for that school day. If the offered excuse for a student’s absence is questionable or if the number of student absences is excessive, the school staff will notify the parents of the need for improvement in the student’s attendance.

A skipped class or part of the school day will be identified as an unexcused absence and the student will also be subject to disciplinary action.

Students with a health condition that causes repeated absences must provide the administration with an explanation of the condition from a registered physician.

### **Emergencies**

Please make sure that our office has updated home and work phone numbers, and numbers of alternative persons to contact. You may update your contact information on the [OneView Parent Portal](#). Cell phone numbers are a big help!

### **Truancy**

Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for school work that is missed. A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in 1 month, or for seventy-two (72) or more hours in one (1) school year.

When a student is absent from school with or without legitimate excuse for thirty-eight (38) or more hours in one school month, or sixty-five (65) or more hours in a school year, the attendance officer shall notify the child’s parents or guardian of the child’s absence, in writing, within seven (7) school days after the date of the absence that triggers the notice requirement. At the same time notice is given, appropriate intervention actions may be taken.

If a student is habitually truant and the student's parent fails to correct the student's attendance, a complaint will be filed with the Judge of the Juvenile Court in compliance with State law and Board policy [5200 - Attendance](#).

### **Late Arrival (Tardiness) and Early Dismissals – [5230](#)**

A student is considered tardy if he/she arrives after school has started at 7:45 am at LHSD Intermediate and 7:15 am at the LHSD Middle School. Each minute your child is absent from school counts towards their total absences for the year.

### **STUDENTS WITH TARDIES OR EARLY DISMISSALS ARE NOT ELIGIBLE FOR PERFECT ATTENDANCE AWARDS**

Each student is expected to be in his/her assigned location throughout the school day. **When arriving after school has started, students must report to the office before going to class.** Any student who is late to class without an authorized excuse may be given a demerit by his/her teacher.

Each child may be released only to a parent, guardian, or properly identified person authorized to act on their behalf. **When picking up students, all adults will be required to show a picture ID.** This authorization must be in writing or email each applicable day. **(It is the responsibility of a custodial parent to notify the school as to court-determined limitations of the noncustodial parent.)** Please obtain a doctor's note for all appointments causing tardiness or early dismissal.

### **Vacations During the School Year**

It is recommended that parents not take their child out of school for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the Principal to make necessary arrangements. It may be possible for the student to receive certain assignments that may be completed during the trip. A [Vacation Authorization Form](#) must be turned into the office one (1) week in advance for approval by the Principal.

### **Make-up of Tests and Other School Work**

Students who are absent from school with an excuse shall be given the opportunity to make up missed work. The student should contact his/her teacher as soon as possible to obtain assignments.

**The number of days for completion of makeup work will be equivalent to the number of excused days of absence.**

### **STUDENT RESPONSIBILITIES**

The School's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules. For more information see Board policy [5500 – Student Conduct](#).

Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

### **Notice of Directory Information and Information Requests**

FERPA requires that the Licking Heights Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Licking Heights Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Licking Heights Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Licking Heights Schools to disclose directory information from your child's education records without your prior written consent, you must notify the Superintendent's Office, 6539 Summit Road, Pataskala, Ohio 43062 in writing by September 1<sup>st</sup>, annually. You may notify the District by initiating your desire for the District not to disclose directory information for your child in OneView annually when you sign off that you have read the student handbook. Licking Heights Schools has designated the following information as directory information:

- Student's name; address; and telephone number
- Date and place of birth
- Major field of study
- Participation in officially-recognized activities and sports
- Height and weight, if a member of an athletic team
- Dates of attendance
- Date of graduation
- Awards received

### **Staff Licensure Requests**

The Superintendent shall report State certification and licensure status for every teacher and paraprofessional at least annually in accordance with State and Federal law. Parents/guardians may request information about the professional qualification of each classroom teacher/paraprofessional who provides instruction to their students by submitting a written request to the Supervisor of Pupil Services at [mtom@lhschools.org](mailto:mtom@lhschools.org).

### **STUDENT WELL BEING**

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately. **\*SEE SOMETHING, SAY SOMETHING\*** See Board policy [3213 – Student Supervision and Welfare](#).

### **INJURY AND ILLNESS**

All injuries must be reported to a teacher or the office. If the injuries are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission to go to the health clinic. An appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission. For more information see Board policies [5330 – Use of Medications](#) and [5340 – Student Accidents](#).

## **SECTION I - GENERAL INFORMATION**

### **SCHEDULING AND ASSIGNMENT**

Schedules are provided to each student at the beginning of the school year or upon enrollment. Schedules are based on the student's needs and available class space. Any changes in a student's schedule should be handled through the Guidance office. Students may be denied course enrollment due to lack of available space or the need for the student to pass prerequisite courses. Students are expected to follow their schedules. Any variation must be approved with a pass or schedule change. [5120 – School Attendance Areas](#)

### **WITHDRAWAL/TRANSFER FROM SCHOOL**

No student under the age of eighteen (18) is allowed to withdraw from school without the written consent of his/her parents and in compliance with State law. A student who otherwise withdraws from school shall be reported to the juvenile judge of the county and to the Bureau of Motor Vehicles for suspension of their driver's license, if s/he is under the age of 18. [5130 – Withdrawal from School](#), [5131 – Student Transfers](#)

Parents must notify the Principal about plans to transfer their child to another school. [Withdrawal form](#), school records, including disciplinary records of suspension and

expulsion, will be transferred to the new school upon the receipt of request from the new school. Only the residential/school placement parent may withdraw a student.

### **IMMUNIZATIONS**

Students must be current with all immunizations required by law, including but not limited to poliomyelitis, measles, diphtheria, rubella, pertussis, tetanus, and mumps, or have an authorized exemption from State immunization requirements. Kindergarten students must be immunized against Hepatitis B and chickenpox. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunizations or authorized exemption. Any questions about immunizations or exemptions should be directed to the Board nurse. For more information see Board policy [5320 - Immunization](#).

### **EMERGENCY MEDICAL AUTHORIZATION (EMA)**

A complete Emergency Medical Authorization Form must be updated annually and on file with the school through OneView, in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities. Go to <https://lickingheightsoneview.esvportal.com/> to update student emergency medical authorization (EMA) forms. For more information see Board policy [5341 - Emergency Medical Authorization](#).

### **USE OF MEDICATIONS**

Students who must take prescribed medication during the school day, must comply with policy [5330 - Use of Medications](#). All medications must be taken to the health aide with the correct paperwork signed by a physician.

#### **Non Prescribed (Over-the-Counter) Medications**

No staff member will dispense non prescribed, over-the-counter (OTC) medication to any student without prior Physician authorization. Any student who is found using or distributes medication of any kind or who is found in possession of unauthorized medication is in violation of the School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

Students shall be permitted to possess and self-administer over-the counter topical sunscreen products while on school property or at a school-sponsored event.

A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms, at school or at any activity, event, or program sponsored by or in which the student's school is a participant if the appropriate form is completed and on file in the Principal's Office.

A student who is authorized to possess and use a metered dose or dry powder inhaler may not transfer possession of any inhaler or other medication to any other student. For more information see Board policy [5330 - Use of Medications](#).

### **CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES**

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The School's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice or bed bugs.

Specific communicable diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will be limited to the contagious period as specified in the School's administrative guidelines. See Board policies [8450 – Control of Casual-Contact Communicable Diseases](#), [8451 – Pediculosis](#) and [8454 – Bed Bugs](#).

### **CONTROL OF NONCASUAL-CONTACT COMMUNICABLE DISEASES**

The School Board has an obligation to protect staff and students from noncasual-contact communicable diseases. See Board policy [8453 – Control of Noncasual-Contact Communicable Diseases](#).

Noncasual-contact communicable diseases include sexually transmitted diseases, AIDS, ARC-AIDS Related Complex, HIV, Hepatitis B, and other diseases that may be specified by the State Board of Health.

### **CONTROL OF BLOOD-BORNE PATHOGENS**

The School Board seeks to provide a safe educational environment for students and take appropriate measures to protect those students who may be exposed to bloodborne pathogens in the school environment and/or during their participation in school-related activities. For additional information see Board policy [8453.01 – Control of Blood-Borne Pathogens](#) and [8453.02 – Students Exposure to Blood-Borne Pathogens](#).

### **STUDENTS WITH DISABILITIES**

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance.

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504 and State law. Contact the Supervisor of Special Education at 614-864-9098 ext. 60212 to inquire about evaluation procedures, programs, and services. See also Board policy [2460 – Special Education](#).

### **HOMELESS STUDENTS**

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the Board. Homeless students will not be denied enrollment based on lack of proof of residency. For additional information see

Board policy [5111.01 – Homeless Students](#) or contact the liaison for Homeless Students at 740-927-3365 ext. 30224.

### **CHILDREN AND YOUTH IN FOSTER CARE**

Students who meet the Federal definition of "in foster care", including those who are awaiting foster care placement, will be provided a free appropriate public education (FAPE) in the same manner as all other students of the Board. For additional information see Board policy [5111.03 – Children and Youth in Foster Care](#) or contact the liaison for Children and Youth in Foster Care at 740-927-3365 ext. 30224.

### **PROTECTION AND PRIVACY OF STUDENT RECORDS**

The School Board maintains many student records including both directory information and confidential information. For more information pertaining to student records and FERPA requirements see Board policy [8330 – Student Records](#).

### **STUDENT SUPPLIES, FEES, AND FINES**

Students will be provided necessary textbooks for courses of instruction without cost. In accordance with State law, a list of student supplies and student fees are sent home during the first few weeks of school and can also be found on the Board website. Every effort is made to keep these costs to a minimum. Applications for waivers of fees are available in the school office.

6th - \$20.00

7th - \$20.00

8th - \$20.00

Contact the school office if alternate fee payments need to be made.

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. Schedule of assessments shall be as follows:

- New 100% of cost
- Excellent condition 80%
- Good condition 60%
- Fair condition 40%
- Poor condition 20%

Students can avoid late fines by promptly returning borrowed materials.

Failure to pay fines, fees, or charges may result in the withholding of grades and credits. For additional information see Board policy [6152 – Student Fees, Fines and Charges](#) and [6152.01 – Waiver of School Fees for Instructional Materials](#).

### **STUDENT FUND-RAISING**

Students participating in school-sponsored groups and activities must comply with Board Policy [5830 – Student Fund-Raising](#). Violation of this policy may lead to disciplinary action.

### **STUDENT VALUABLES**

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The School is not liable for any loss or damage to personal valuables.

### **MEAL SERVICE**

The School participates in the National School Lunch Program and makes lunches available to students for a fee.

<b>School Breakfast – Free</b>	<b>8 ounce milk - \$.50</b>
<b>School Lunch - \$2.75</b>	<b>8 ounce water - \$.50</b>
<b>Reduced Price Lunch - \$.40</b>	

Licking Heights Food Service Department utilizes the Nutrikids Point of Sale Software. Parents are able to make lunch pre-payments online at [www.myschoolbucks.com](http://www.myschoolbucks.com), or by sending a check or cash in an envelope with your students name to the school. Students may also bring their own lunch to school to be eaten in the School’s cafeteria. In the interest of good nutrition, soda pop is prohibited in our cafeteria and we encourage parents to limit “sweets.” In the interest of student safety, glass bottles are also not permitted.

No student may leave school premises during the lunch period without specific written permission from the Principal. Food delivery services, such as Uber Eats, GrubHub and DoorDash may not be utilized to deliver food to students during the school day or on school property. For information regarding school lunch account procedures, see Board policies [8500 – Food Service](#), [8531 – Free and Reduced-Price Meals](#). If a student arrives in the cafeteria with no money for lunch, that student will be given a “courtesy lunch” consisting of a cheese sandwich and a 4 oz. carton of orange juice. If courtesy lunches become excessive, parent(s) will be notified.

Applications for the School’s Free and Reduced-Priced Meal program are available at <http://www.schoolunchapp.com/>.

### **FIRE, TORNADO, AND SAFETY DRILLS**

The School complies with all safety laws and will conduct all safety drills in accordance with State law.

### **EMERGENCY CLOSING AND DELAYS**

If the School must be closed or the opening delayed because of inclement weather or other conditions, the School will notify the following radio and television stations:

WCLT-100.3 FM

WNCI-97.9 FM

WCMH-TV - Channel 4

WNKO-101.7 FM  
WCOL-92.3 FM  
BREW-105.7 FM

WMVO-93.7 FM  
WTVN-610 AM  
WMNI-920 AM

WSYX-TV - Channel 6  
WBNS-TV - Channel 10  
WTTE - TV - Channel 28

Information concerning school closings or delays can also be found on the School's web page at [www.lhschools.org](http://www.lhschools.org) and on district sponsored social media outlets. Parents will also be notified of school closings or delays via a pre-recorded telephone message delivered to the phone number on file.

**Parents and students are responsible for knowing about emergency closings and delays.**

A two-hour delay means that your child will be picked up two hours later than their usual time. The rest of the day will proceed as normal, including the regular dismissal time. Students will not be permitted in the building until 9:10 a.m. Breakfast will **not** be served on those days.

Weather conditions sometimes dictate that we dismiss students early. It is important that you have made alternate arrangements for your child's safety should they arrive home early. This will be sent home the first week of school and should be updated as needed. These will be consulted and shared with your child as the need arises. Early dismissals will also be broadcast over the same radio and television stations. Parents should monitor these stations during extreme weather conditions. TIME DOES NOT ALLOW US TO CALL EVERY PARENT.

**VISITORS**

Visitors, particularly parents, are welcome at the School. Visitors must report to the office upon entering the School to sign in and obtain a pass. Any visitor found in the building without signing in and a pass shall be reported to the Principal. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the School in order to schedule a mutually convenient meeting time. Students may not bring visitors to school without prior written permission from the Principal. For more information see Board policy [9150 – Visitors to the Schools](#).

**Animals on District Property**

Animals permitted in schools and elsewhere on District property shall be limited to those necessary to support specific curriculum- related projects and activities, those that provide assistance to a student or staff member due to a disability (e.g., seizure disorder), those that serve as service animals as required by Federal and State law, or those the Superintendent or designee permits, in his/her discretion, to be on school property during non-school hours. Non-service animals are not permitted on District property during District- sponsored events (e.g., sporting events).

The Board does not assume responsibility for training, daily care, or healthcare or supervision of any animal on school property. The Board does not assume responsibility for personal injury or property damage arising out of or relating to the presence or use

of an animal on District property or at District-sponsored events. [8390 - ANIMALS ON DISTRICT PROPERTY](#)

### **USE OF SCHOOL EQUIPMENT AND FACILITIES**

Students must receive teacher permission before using any equipment or materials in the classroom. Students must seek permission from the Principal prior to using any other school equipment or facility. Students are responsible for the proper use and protection of any equipment or facility they are permitted to use. [7510 – Use of District Facilities](#), [7530 – Lending of District Owned Equipment](#)

### **LOST AND FOUND**

The lost and found area is in the office. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity intermittently throughout the school year.

### **USE OF OFFICE TELEPHONES**

Office telephones may not be used for personal calls. Except in an emergency, students will not be called to the office to receive a telephone call.

Students are not to use telephones to call parents to receive permission to leave school. Office personnel will initiate all calls on behalf of a student seeking permission to leave school.

### **USE OF PERSONAL COMMUNICATION DEVICES (CELL PHONES, PAGERS, ETC.)**

In order to maintain the efficient use of student time, students are discouraged from making or receiving telephone calls. **Personal cell phones, earbuds, airpods and headphones must remain in book bags/locker and not used on school property.** If a student is seen with any of the above mentioned items outside of the book bag, the teacher will remove the item. The first time the item is taken the student may pick it up at the end of the day. The second time and beyond a parent must arrange to pick it up in the office by the end of the day.

### **ADVERTISING OUTSIDE ACTIVITIES**

Students may not post announcements or advertisements for outside activities without receiving prior approval from the Principal. The Principal will attempt to respond to a request for approval within one (1) school day of its receipt. PeachJar is an online resource now used for advertising of outside activities. Visit <http://www.lhschools.org/peachjar.aspx> to view up-to-date advertisements. For more information see Board policies [5722 – School-Sponsored Publications and Productions](#) and [9700 – Relations with Special Interest Groups](#).

## **SECTION II - ACADEMICS**

### **COURSE OFFERINGS**

Visit the **Program of Studies** link on the website [here](#) for a list of course offerings.

### **FIELD TRIPS**

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the School’s co-curricular and extra-curricular program. No minor student may participate in any school-sponsored trip without parental consent and a current emergency medical form on file in the office. Parents can be a great help on such trips, but only if their full attention is focused on the students in their group, supporting that academic purpose. For that reason, we can take only a limited number of parents/adults and cannot allow those parents/adults to bring other children. If the school does not have an updated EMA for the current school year the student will not be permitted to attend the field trip. For more information see Board policy [2340 – Field and Other Board-Sponsored Trips](#).

## GRADES

### Grade Components

In determining a student’s grade the teacher will give consideration to each of the following grade components:

1. Homework – 10%
2. Formative assessments – 50%
3. Summative assessments – 40%

### Grading Scale

Students will receive a letter grade for each course taken during the four nine-week periods. Semester grades are determined by an average of the quarter and exam grades. Final grades are determined by an average of the quarter and exam grades. Grade point averages are figured on the four-point scale except for weighted grades. For more information see Board Policy [5421 – Grading](#).

GRADE	100 PT SCALE	4 POINT SCALE	4.3 POINT SCALE
A	93-100	4.0	4.3
A-	90-92	3.7	4.0
B+	87-89	3.3	3.7
B	83-86	3.0	3.3
B-	80-82	2.7	3.0
C+	77-79	2.3	2.7
C	73-76	2.0	2.4
C-	70-72	1.7	2.1
D+	67-69	1.3	1.3
D	63-66	1.0	1.0
D-	60-62	0.7	0.7
F	0-59	0.0	0.0

### Grade Point Average

Grade point average (G.P.A.) is calculated based on the weighted point value assigned to each course grade and divided by the total number of credits. For more information

regarding weighted point values and calculating grade point average see the curriculum section of the website at <http://www.lhschools.org/Curriculum.aspx>.

### **HOMEWORK**

The assignment of homework will be according to the following guidelines:

- Homework should be a properly planned part of the curriculum, extending and reinforcing the learning experience of the school.
- The number, frequency, and degree of difficulty of homework assignments should be based on the ability and needs of the student and take into account other activities which make a legitimate claim on the student's time.
- Homework should always serve a valid learning purpose, it should never be used as a punitive measure.
- Assignments should involve application of knowledge, reinforcement of communication, research and other skills, and should provide experiences which strengthen attitudes and allow for creativity.
- The purpose of homework, in terms of the goals of a program, should be clear to the student when assigned, the work corrected when returned, and both the strengths and weaknesses of his/her work communicated in ways which provide for improved performance.
- As part of the process of using homework as a learning tool, students should be involved in learning how to critique their own and each other's work based on clearly-defined criteria related to the particular program or course of study.
- The time limits for completion of homework should:
  - be reasonable and consistent with the nature of the assignments given;
  - Provide for interim appraisal of progress where assignments involve blocks of time;
  - Include a reasonable time for make-up of missed work assignments and/or improvements based on teacher comments.
- Parents should be made aware of the way each of their child's teachers will be using homework as a learning activity.

For more information see Board policy [2330 – Homework](#).

### **Incompletes**

A student who receives an incomplete grade (I) for a grading period will be given two weeks from the end of the grading period to complete the work, unless special permission is granted from the principal. If the work is not completed in that time the "I" changes to an "F".

### **Course Change**

No student may drop a subject after the second week of the first grading period in each semester without permission from the principal.

Due to some circumstances, it may not be possible to change a course. It is suggested that parents arrange a conference with the teacher before a student is allowed to change a class.

### **Interim Reports**

At the end of the fifth week of each nine-week period, parents or guardians will have access to an Interim Report. **Students with outstanding fees will not receive an Interim Report.**

### **Grade Cards**

Grade cards are issued four times each year, either electronically or via a paper copy. As a general rule, they are accessible on Friday, one week after the nine-week grading period ends. **Students with outstanding fees will not receive a Report Card.**

### **Scheduled Parent/Teacher Conferences**

Please check the district calendar for specific Parent/Teacher Conference dates.

A daytime parent-teacher meeting can be scheduled during each teacher's daily conference time to fit your particular needs. Additional conferences may be scheduled at other times during the year, by parent or teacher request. This is one of the many ways we can work together to build your child's educational program.

### **PROMOTION, ACCELERATION, AND RETENTION**

Promotion to the next grade (or level) is based on the following criteria:

- A. current level of achievement based on instructional objectives and mandated requirements for the current grade
- B. potential for success at the next level
- C. emotional, physical, and/or social maturity necessary for a successful learning experience in the next grade

For more information see Board policy [5410 – Promotion, Academic Acceleration, Placement, and Retention](#).

### **EDUCATIONAL OPTIONS**

Licking Heights School District Intermediate and Middle School provide alternative means by which a student can achieve the goals of the Board, as well as his/her personal educational goals. For more information see Board policy [2370 – Educational Options](#).

### **COLLEGE CREDIT PLUS PROGRAM**

Any student in grades 7 through 12 may enroll in a postsecondary program provided s/he meets the requirements established by law and by the participating college or university. A student may be denied high school credit for any portions of or for the entire class if taken during a period of expulsion. Student participation requires written consent of the Superintendent and, for students under 18, written consent of the parents or attendance in counseling services offered with this educational option. Any

interested student should contact Angel King, Director of Curriculum and Instruction by March 30 to obtain the necessary information.

**For any failed class under the College Credit Plus Program, it will be the responsibility of the student to pay any fees associated with and materials purchased for the course.**

#### **CAREER ADVISING PROGRAM**

Career advising is an integrated process that helps students understand how their personal interests, strengths and values might predict satisfaction and success in school and related career fields, as well as how to tie these interests and strengths to their academic and career goals. Students need to have access to comprehensive resources and support to prepare for their future success. Through relevant classroom instruction, career-related learning experiences, and a program of counseling and advising, students can discover their interest and explore academic and career pathway options. For more information see Board policy [2413 – Career Advising](#)

#### **RECOGNITION OF STUDENT ACHIEVEMENT**

Students who display significant achievements during the course of the year are recognized for their accomplishments. Areas that may merit recognition include, but are not limited to, academics, athletics, performing arts, citizenship, and volunteerism. For more information see Board policy [5451 – Student Recognition](#).

#### **COMPUTER TECHNOLOGY AND NETWORKS**

The Board provides Internet services to its students. The Board's Internet system has a limited educational purpose, and has not been established as a public access service or a public forum. Student use of the Board's computers, network and Internet services/connection ("Network") are governed by the following principles and guidelines, and the Student Code of Conduct. Users have a limited privacy expectation in the content of their personal files and records of their online activity while on the Network. For more information see Board policy [7540 – Technology](#) and subsequent policies.

#### **STUDENT ASSESSMENT**

Unless exempted, each student must pass all portions of the State-mandated assessment test as a requirement for graduation. For more information see Board policy [2623 – Student Assessment and Academic Intervention Services](#) and subsequent policies.

### **SECTION III - STUDENT ACTIVITIES**

#### **SCHOOL-SPONSORED CLUBS AND ACTIVITIES**

Licking Heights School District Intermediate and Middle School provides students the opportunity to broaden their learning through curricular-related activities. [2430 – District Sponsored Clubs and Activities](#)

Extra-curricular activities do not reflect the School curriculum, but are made available to students to allow them to pursue additional worthwhile activities such as recreational sports, drama, and the like.

All students are permitted to participate in the activities of their choosing, as long as they meet the eligibility requirements. To be eligible to participate in any district-sponsored extra-curricular activity, including athletics, a student must have maintained at least a 2.0 grade-point average and passed five (5) classes during the grading period prior to participating.

While participating in a middle school or high school extra-curricular activity, a student may retain their academic eligibility for one grading period in both middle school and again in high school if their grade-point average falls between a 1.5 and 1.99 but they continue to pass the requisite five (5) classes. If this one-time eligibility stipulation is not used during middle school it may not carry over to be used towards high school academic eligibility. Students electing to use their eligibility stipulation will be required to complete an academic plan, attend weekly study tables (if available) and maintain the required 2.0 GPA during the immediate following grading period.

Participation in these activities is a privilege and not a right, and students may be prohibited from all or part of their participation in such activities by authorized school personnel without further notice, hearing and/or appeal rights in accordance with Board policy [5610.05 – Prohibition from Extra-Curricular Activities](#). Homeschooled students may participate in district-sponsored clubs and activities and are held to the same eligibility requirement and the student code of conduct as those students enrolled in the district.

#### **NONSCHOOL-SPONSORED CLUBS AND ACTIVITIES**

Nonschool-sponsored student groups may meet in the school building during noninstructional hours. The application for permission to use school facilities can be obtained from the Principal. The applicant must verify that the activity is being initiated by students, that attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities, and that nonschool persons do not play a regular role in the meeting. All school rules relating to student conduct and equal opportunity to participate apply to such activities.

Membership in any fraternity, sorority, or other secret society as prescribed by law is not permitted. All groups must comply with School rules and must provide equal opportunity to participate.

Any nonBoard-sponsored organization is prohibited from using the name of the school or school mascot on any materials or information without prior written approval of the Superintendent.

#### **ATHLETICS**

Licking Heights School District provides a variety of athletic activities in which students may participate provided they meet eligibility requirements established by the Board and by the Ohio High School Athletic Association (OHSAA). To be eligible to participate in any district-sponsored extra-curricular activity, including athletics, a student must have maintained at least a 2.0 grade-point average and passed five (5) classes during the grading period prior to participating.

While participating in a middle school or high school extra-curricular activity, a student may retain their academic eligibility for one grading period in both middle school and again in high school if their grade-point average falls between a 1.5 and 1.99 but they continue to pass the requisite five (5) classes. If this one-time eligibility stipulation is not used during middle school it may not carry over to be used towards high school academic eligibility. Students electing to use their eligibility stipulation will be required to complete an academic plan, attend weekly study tables (if available) and maintain the required 2.0 GPA during the immediate following grading period.

If a student's failure to meet the academic eligibility requirements is due to an "incomplete" grade given in one or more courses which the student was taking during the grading period in question, the student may have his/her eligibility restored once the "incomplete" has been changed to a passing letter grade provided:

1. the failure to complete the required coursework during the grading period was due to calamity day(s), family tragedy, or illness or accident as verified by a physician; and
2. the "incomplete" was given in accordance with Board of Education grading policies and procedures and is applicable to all students in the school; and
3. the previously scheduled work and/or exams is/are completed within the time period provided in Board policy for completing work required to convert an "incomplete" into a letter grade; and
4. there is no evidence that the "incomplete" was given in order to afford the student extended time in order to provide the student tutoring or other educational services simply to avoid a failing grade.

Specific documentation of criteria listed above must be submitted to the Ohio High School Athletic Association (OHSAA) in order to be considered by the Executive Director for such a ruling.

Participation in these activities is a privilege and not a right, and students may be prohibited from all or part of their participation in such activities by authorized school personnel without further notice, hearing and/or appeal rights in accordance with Board policy [5610.05 – Prohibition from Extra-Curricular Activities](#). For more information see Board policy [2431 – Interscholastic Athletics](#) or contact the Middle School Athletic Coordinator.

### **Free Admissions**

Free admission to District events, including co-curricular and extra-curricular events will be granted to individuals presenting valid league passes, valid senior citizen's passes, or valid active-duty military or veteran identification. When presenting the pass, the person will be asked to sign a register of attendance. [9710 - Free Admissions](#)

### **ACADEMIC ELIGIBILITY**

See above or Board policies [2430 - District-Sponsored Clubs and Activities](#), [2431 - Interscholastic Athletics](#) for academic eligibility rules.

### **STUDENT EMPLOYMENT**

It is recommended that students not take jobs outside of school that could interfere with their success in school. If a student elects to maintain a job in addition to going to school, s/he must first contact his/her counselor to discuss any legal requirements and to obtain any required documents. For more information see Board policy [5895 - Student Employment](#).

### **STUDENT ATTENDANCE AT SCHOOL EVENTS**

Students are encouraged to attend as many after school events as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build school spirit and encourage those students participating in the event.

It is strongly advised that students attending evening events as nonparticipants be accompanied by a parent or adult chaperone. The Board is not responsible for supervising unaccompanied students nor will it be responsible for students who arrive without an adult chaperone. See also Board policy [5855 - Student Attendance at School Events](#).

## **SECTION IV - STUDENT CONDUCT**

### **5500 - STUDENT CONDUCT**

A major component of the educational program at Licking Heights is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards. Students are expected to behave in accordance with Federal, State and local laws and rules and Board policies and administrative guidelines, and in a way that respects the rights and safety of others. Staff will take corrective action to discipline a student and/or to modify the student's behavior when a student's behavior does not fall within these parameters.

School staff may report suspected criminal misconduct by a student to law enforcement. Law enforcement officers will be permitted to carry out necessary law enforcement functions in the schools, including the removal of a student from school grounds in appropriate circumstances.

#### **Dress and Grooming**

Students are expected to dress appropriately at all times. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted.

**The administration will exercise judgment on appropriate dress at all times. Students who fail to conform to dress standards will not be permitted to attend classes until their dress is deemed appropriate. Classes missed may be charged as an unexcused absence.**

Students should consider the following questions when dressing for school:

Does my clothing expose too much? (No)

Does my clothing advertise something that is prohibited to minors? (No)

Are there obscene, profane, drug-related, gang-related, or inflammatory messages on my clothing? (No)

Am I dressed appropriately for the weather? (Yes)

Do I feel comfortable with my appearance? (Yes)

The following styles or manners of dress are prohibited:

1. Be unduly revealing – spaghetti strap shirts, muscle shirts, and garments that expose any of the following; midriffs, buttocks, or underwear, are not acceptable (ex. shorts/skirts must be mid thigh); see-through material or mesh leggings must stop mid-thigh.

### **Gangs**

## **BULLYING, HARASSMENT, AND INTIMIDATION**

### **5517.01 - BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR**

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community. Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, psychological abuse and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions that cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property or while enroute to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school approved, or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school bus or vehicle, or where an employee is engaged in school business. This policy applies to activities occurring during school

hours. Consistent with the Code of Conduct, this policy also applies to conduct occurring on property not owned or controlled by the Board, but is connected to activities or incidents that have occurred on property owned or controlled by the Board.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education's Model Policy.

Harassment, intimidation, or bullying means"

- A. any intentional written, verbal, graphic, electronic or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s); or
- B. violence within a dating relationship.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also can occur through electronic acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once or in conjunction with other acts occurring outside of the scope of the Code of Conduct and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement officials. In addition, any student found to be responsible for harassment, intimidation, or bullying by an electronic act may be subject to suspension.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning harassment, intimidation or bullying is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as harassment, intimidation or bullying behavior. Making intentionally false reports about harassment, intimidation or bullying behavior is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the custodial parent/guardian of the victim of such finding and provide the parent access to written reports pertaining to the bullying incident as permitted under state and federal law. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in

writing the parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification. Any records that are considered student records will be maintained and accessed in a manner consistent with the provisions in state and federal law.

### **Complaints**

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review, investigation, and action.

Students, parents/guardians, and school personnel may make informal complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to a teacher, school administrator, or other school personnel. Such informal complaints shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. A school staff member or administrator who receives an informal complaint shall promptly document the complaint in writing, including the information provided. This written report shall be promptly forwarded by the school staff member and/or administrator to the building principal for review, investigation, and appropriate action.

Students who make informal complaints as provided above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. Anonymous complaints shall be reviewed and reasonable action shall be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation, and/or bullying.

When a student making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

### **Privacy/Confidentiality**

The School District will respect the privacy of the complainant, the individual(s) against who the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform to any discovery or disclosure obligations. All records generated under this policy and its

related administrative guidelines shall be maintained as confidential to the extent permitted by law.

### **Reporting Requirement**

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District website (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

### **Immunity**

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

### **Notification**

Notice of this policy will be **annually** circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students in the district and to their custodial parents or guardians. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

### **Education and Training**

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying and violence within a dating relationship. The Superintendent shall provide appropriate training to all members of the School District community related to the implementation of this policy and its accompanying administrative guidelines. All training regarding the Board's policy and administrative guidelines and aggressive behavior and bullying in general, will be age and content appropriate.

Students in grades seven (7) through twelve (12) shall receive age appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of healthy relationships. Parents, who submit a written request to the building principal to examine the dating violation

prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.

To the extent that State or Federal funds are appropriated for these purposes, the District shall provide training, workshops, and/or courses on this policy for school employees and volunteers who have direct contact with students. Time spent by school staff in these training programs shall apply toward mandated continuing education requirements.

The Superintendent shall develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed. R.C. 3313.666, 3313.667

#### **DISCIPLINE**

It is important to remember that the School's rules apply going to and from school, at school, on school property, at school-sponsored events, on school transportation, and on property not owned or controlled by the Board but that is connected to activities or incidents that have occurred on property owned or controlled by the Board. Furthermore, students may be disciplined for conduct that, regardless of where or when it occurs, is directed at a Board official or employee, or the property of such official or employee. In some cases, a student can be suspended from school transportation for infractions of school bus rules.

The School is committed to providing prompt, reasonable discipline consistent with the severity of the incident. The consequences for misbehavior are designed to be fair, firm and consistent for all students in the School.

Because it is not possible to list every misbehavior that occurs, misbehaviors not listed above will be responded to as necessary by staff.

Two (2) types of discipline are possible, informal and formal.

#### **Informal Discipline**

Informal discipline takes place within the School. It includes:

- change of seating or location;
- BEFORE-school, lunch-time, after-school detention;
- in-school discipline.

#### Detention

A student may be detained after school by a teacher, after giving the student and his/her parents one day's notice. The student or his/her parents are responsible for transportation.

To promote an orderly and disciplined environment during detention, the following guidelines will be observed:

1. Students must report to detention ten (10) minutes after the end of the school day prepared with study or reading material.
2. Enter the room quietly and be seated as directed by the detention supervisor.
3. No talking during detention. Eyes should remain focused on assignments or reading.
4. Remain properly seated and working during detention.
5. No food, candy, or drinks in detention.
6. Follow teacher requests at all times.
7. Failure to attend will result in an additional detention and/or In-School Suspension.

### In-School Discipline

The following rules apply to In-School Suspension:

- A. Students are required to have class assignments with them.
- B. Students are not to communicate with each other unless given permission to do so.
- C. Students are to remain in their designated seats at all times unless permission is granted to do otherwise.
- D. Students shall not be allowed to put their heads down or sleep.
- E. No electronic communication devices, radios, CD/MP3 players, cards, magazines, or other entertainment/recreational articles or devices shall be allowed in the room.
- F. No food or beverages shall be consumed.

**If a student does not follow the outlined rules for in-school suspension they will be issued out of school suspension.**

At LHSD Middle School, another form of discipline a student may be assigned includes the Strategies for Intervention and Prevention Program (SIPP) in lieu of out of school suspension.

### **Formal Discipline**

Formal discipline involves removal of the student from school. It includes emergency removal for up to three (3) school days, suspension for up to ten (10) school days, expulsion for up to eighty (80) school days or the number of days remaining in a semester, whichever is greater, and permanent exclusion. Expulsions may carry over into the next school year. Any student who is expelled from school for more than twenty (20) days or for any period of time if the expulsion will extend into the following semester or school year will be provided with information about services or programs offered by public and private agencies that work toward improving those aspects of the student's attitude and behavior that contributed to the incident that gave rise to the student's expulsion. Removal for less than one (1) school day without the possibility of suspension or expulsion may not be appealed. Suspension, expulsion, and permanent exclusion may be appealed.

Students involved in co-curricular and extra-curricular activities such as band and athletics can lose their eligibility for violation of the school rules.

If a student commits a crime while under the school's jurisdiction, s/he may be subject to school disciplinary action as well as action through local law enforcement. For more

information regarding student discipline see Board policies [5600 – Student Discipline](#), [5610 – Removal, Suspension, Expulsion, or Permanent Removal](#), [6510.01 - .05](#).

### **DUE PROCESS RIGHTS**

Before a student is suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed.

As long as the in-school discipline is served entirely in the school setting, it will not require any notice or meeting, or be subject to appeal. For more information see Board policy [5611 – Due Process Rights](#).

### **Discipline of Students with Disabilities**

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.), and, where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973. For more information see Board policy [5605 – Suspension/Expulsion of Students with Disabilities](#).

### **Suspension of Bus Riding/Transportation Privileges**

When a student is being considered for suspension of bus riding/transportation privileges, the administrator in charge will notify the student of the reason. The student will be given an opportunity to address the basis for the proposed suspension at an informal hearing. After that informal hearing, the principal [or assistant principal or other administrator] will decide whether or not to suspend his/her bus riding/transportation privileges for all or part of the school year.

If a student's bus riding/transportation privileges are suspended, s/he and his/her parents will be notified, in writing within one day, of the reason for and the length of the suspension. [5515.02 – Student Conduct on School Buses](#)

### **SEARCH AND SEIZURE**

Administrators may search a student or his/her property (including vehicles, purses, knapsacks, gym bags, etc.) with or without the student's consent, whenever they reasonably suspect that a search will lead to the discovery of evidence of a violation of law or school rules.

Additionally, students have NO reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms and gymnasiums. The Board may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities.

Anything that is found in the course of a search may be used as evidence of a violation of school rules or the law, and may be taken, held or turned over to the police. The School reserves the right not to return items that have been confiscated. For more information see Board policy [5771 – Search and Seizure](#).

## **INTERROGATION OF STUDENTS**

The School is committed to protecting students from harm that may be connected with the school environment and also recognizes its responsibility to cooperate with law enforcement and public child welfare agencies. While the School believes these agencies should conduct their investigations off school property if possible, investigations can take place at school in emergency situations or if the violation being investigated occurred on school property. For more information see Board policy [5540 – Interrogation of Students](#).

## **STUDENT RIGHTS OF EXPRESSION**

The School recognizes the right of students to express themselves. With the right of expression comes the responsibility to do so appropriately. Students may distribute or display, at appropriate times, non sponsored, noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet school guidelines. For more information see Board policy [5722 – School-Sponsored Publications and Productions](#).

## **SECTION V - TRANSPORTATION**

### **Bus Transportation**

The School provides transportation for all students who live within the school district boundaries. The transportation schedule and routes are available on the [transportation e-link](#). [8600 - Transportation](#)

Students may only ride assigned buses and must board and depart from the bus at assigned bus stops. Students will not be permitted to ride unassigned buses for any reason other than an emergency, except as approved by the Transportation Supervisor.

### **Bus Conduct**

Students who are riding to and from school on Board-provided transportation must follow all basic safety rules. This applies to all school-owned vehicles. [5515.02 – Student Conduct on School Buses](#)

Using an electronic device to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted unless authorized by the building principal;

Students bringing an electronic device onto the school bus must understand they do so at their own financial risk. In the event the electronic device is lost, damaged, or stolen the Licking Heights Board of Education will not assume any financial responsibility.

## **CONSEQUENCES**

**First offense:** Driver will give student a verbal warning and call student's parents. Driver may also move student's assigned seat or talk with the school principal.

**Second offense and beyond:** Driver will call the student's parents and file a report which will be forwarded to the school principal. Driver may take other actions such as moving the student's assigned seat. Principal may conference with the student, call the

parents, and/or request a conference with the parents. The principal will assign disciplinary action in accordance with the severity of the offense. Discipline may include a bus suspension, a school suspension, or expulsion.

Each child who is transported to or from a destination other than home is required to have a Licking Heights Bus Enrollment form filed with the school. We will then forward a copy of this to the transportation department. This is used for any long-term alternate destination. Parents are required to send prior written notice to the building principal or his/her/designee when there will be a short-term change in regularly scheduled bus transportation. A student without a note will be sent home on his/her regular bus.

It is the parents' responsibility to inform the bus driver when their child will not be aboard school transportation. Drivers will not wait for students who are not at their designated stops on time.

### **Videorecordings on School Buses**

The Board of Education has installed video cameras on school buses to monitor student behavior.

If a student misbehaves on a bus and his/her actions are recorded, the recording will be submitted to the Transportation Supervisor and may be used as evidence of misbehavior.
