

LH WEST NEWS

At Licking Heights West, we will work together to be respectful and responsible learners.

Getting Involved

With grade cards just going out, this is a simple reminder that you are always invited to get involved with your child's education; not just at grade card time. It is much easier to help your child learn when there is a school/home partnership! If you are interested in volunteering, simply contact your child's teacher.

Lunch Help

With lunches only being ½ hour we encourage parents to practice skills at home that will help students have more success eating their lunch independently. Such as opening ketchup packets, opening their drink pouch and inserting their straw and tearing open yogurt tubes, etc. this will help them eat in the time frame that they have more efficiently

Keeping Your Child Comfortable

The chilly, rainy days of November are here. Please help your child be prepared for the WHOLE day, with layers of coats, sweaters and even mittens and hats for cool recesses. Remember to put their names on these items in case they get lost.

Honoring Our Veterans

November social studies lessons will include activities to honor past or current members of the armed forces. We thank these men and women for everything they do here and abroad, so that we may all enjoy the many freedoms and benefits of living in the United States.
