

Meet Your Teacher

The start of another school year is here! I know you are as excited as I am for your student to begin their Kindergarten journey.

My name is Deborah Bobo, this is my fourth teaching year as a part of the Licking Heights family. However, Licking Heights has been a part of my family for many years. I have 3 children who attend Licking Heights schools. I have a Masters Degree in Elementary Education and have worked with young children in multiple capacities for 22 years.

I am very dedicated to teaching children academics and also building character and self esteem. I strongly believe that before children can learn they need to have the confidence to be able to try new and difficult tasks. This can be accomplished with your support!

I am not only committed to your child but, I am also looking forward to working with you to create a successful school year. **You** are the most important aspect of your child's learning and life experiences. We must have a strong communication relationship to ensure that your child's needs are met at all times. Please feel free to email me at dbobo@lhschools.org at anytime.

Again, I am excited to work with you and your child this year and want to thank you in advance for your contribution to a fantastic school year.

Sincerely,

Deborah Bobo
